

# The Story of Two Builders

The foolish man built his house on the sand. A mighty storm came and smashed his house to pieces.

The wise man built his house on the rock. In the mighty storm his house stood firm and safe.

Jesus taught about our life needing a strong foundation to withstand the storms of life (Matthew 7:24-27. The Bible). Jesus is our foundation. He is the rock to build our lives on. We are safe in his care.
